Any player arriving more than 30 minutes late will be deemed to have lost unless re-pairing is possible. His/her opponent, however, must expect to be paired again if another player is otherwise without an opponent after 30 minutes. *The time allowance is subject to alteration in the case of such re-pairings.* Pairings will be made using Tournament Director.

**Byes:** You may take a half-point bye in any *one* of the first four rounds. Please notify us if possible on the entry form or at the beginning of the tournament.

**Withdrawals:** If withdrawing during the tournament, please notify a controller or note it on your result slip. If you withdraw before the first round we will refund your entry fee less a **£3.00** administration fee.

**Grading:** All sections will be ECF graded. Grades will be taken from the ECF's latest revision of the July 2016 grading list. (If you do not have an ECF grade, please give any other official grade, or, if you have none, provide other evidence of your playing strength, e.g. other tournament results.) **Only players with a current ECF standard-play grade are eligible for grading prizes.** Please note that it is a condition of entry that players agree to their grading information being published on the ECF website.

**Analysis:** A separate area will be available for analysis and discussion.

**ECF membership:** Under ECF membership arrangements (for more details, visit the ECF website at [http://www.englishchess.org.uk/?page\\_id=18690](http://www.englishchess.org.uk/?page_id=18690)), there will be no charge for the grading of the games of those who are ECF members at Silver level or higher, but the tournament organizers will be charged extra for the grading of the games of non-members or Bronze-level members. Entry fees and discounts reflect these arrangements.
