

Sponsors

We are very grateful to our sponsors, Hacketts Outside Catering Ltd: www.hackettsgroup.co.uk / 01993 700858.

You will receive a 10% discount on all food purchases at Hacketts restaurants in Witney, Carterton and Burford on production of this entry form.

Sections

If entries permit, we will separate entries into: (a) a **Minor section** for under 50 ECF grade/ungraded players; (b) a **Major section** which is open to all players, whether graded or ungraded. If your child is eligible for both sections, please indicate on the entry form which section you would like him/her to play in.

Child supervision

Due to the limited number of personnel, the responsibility of supervising children remains that of their parents or other responsible adults.

If this is your child's first chess tournament, we recommend that you remain on site until your child is settled and preferably for the whole day, as chess tournaments can be quite tiring for children not used to them.

The tournament is organised by those with experience of dealing with children and running chess tournaments.

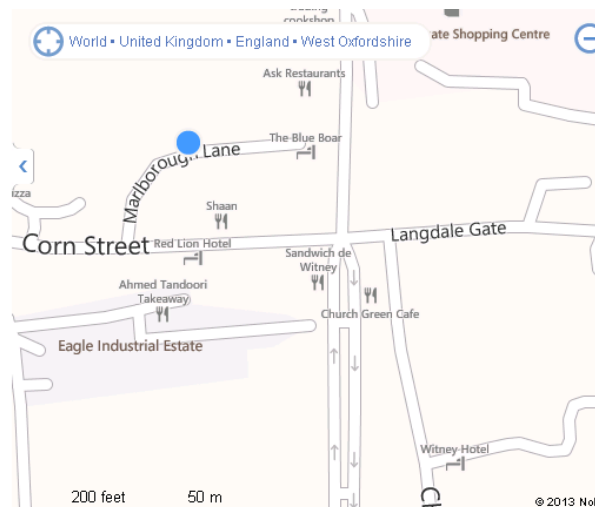

Prizes

Lots of trophies, medals and certificates! In addition, there will be good quality trophies for permanent retention for the top three places in each section. Ties will be broken using sum of progressive scores, followed by sum of opponents' scores if needed.

Chief Arbiter

FA Matthew Carr

Players should know how the pieces move, including castling, pawn promotion and the 'en passant' rule. They should be under 18 on 1st September 2016.

Late Arrival for Any Round

Players arriving after the re-pairing time of any round may be deemed to have lost by default, unless the controller can pair them satisfactorily. Players whose opponents have not arrived must expect to be re-paired.

Entry Fee

The basic entry fee is £10.00. **However, if you are an ECF member at Silver level or higher for the 2016/2017 membership year there is a discount of £2.00 which reduces the entry fee to £8.00 – one of the lowest entry fees in England for an event of this nature. ECF Silver membership also gives a range of other benefits as described here: http://www.englishchess.org.uk/?page_id=18737. If you intend to claim this discount, please give your ECF membership number on the entry form.** An extra fee of £3.00 is payable for any entry

postmarked after 18th September 2016, and if you enter on the day an additional £6.00 will be added.

Tournament Arrangements

The tournament will be run using a SWISS system. For those not familiar with the system; if your child loses their first round, they are almost certain to play someone else who has lost their first round. Thereafter, they play people on roughly equal points to them. The advantage of this system is that very quickly children end up playing others of the same ability and the likelihood of your child losing all his/her matches is very low.

Results in the Major section only will be submitted for ECF rapidplay grading.

Witney Chess Club would like to take photographs of competitors on the day for publication on its website: www.witneychess.org.uk. If you object to this, please inform Mike Truran by email before the tournament.
